WELCOME TO YOUR DASHBOARD!

The Dashboardis where you land once you have logged into NCR Console. It is an easy place to get a general idea of what is going on at your store at the time you login. Your dashboard view will vary based on:

- Your selected Consdepackage;
- The type of login you have (e.g. Corporate, Store, or Employee user); and
- The user per missions that have been assigned to you

PLATFORM FEATURES

Each active tab contains a subset of features specific to the category you've selected.

FEATURES

You may notice features referenced below that may not be visible on your platform as you move through various sections of Console. Note that your access to specific features is dependent on what you sign up for and/or have permissions to see.

- Store Tab: Gives access to operational tools that allow you to plan for day to day business activities. This includes, but is not limited to, managing labor, managing inventory, settings sales and/or labor goals, and submitting reviews.
- *Reports Tab:* Provides an array of reports based on your chosen Console package. This may include reports pertaining to sales, labor, customer service, surveys, product mix, operational reviews, training and brand specific custom reporting.
- *Resources Tab:* Gives access to document storage (including documents shared with you by others) videos, and a photo gallery.

ADDITIONAL DASHBOARD FEATURES

In the blue menu bar beneath the tabs at the top of the page, you will have the option to search for specific topics, access help documents, add shortcuts to favorite or frequently visited pages, and adjust settings.
