

INVENTORY HISTORY REPORT

The **Inventory History** report in NCR Console's Inventory Management module allows you to view a detailed history of each inventory item going in or out of your location. You must use the inventory management features for this report to generate (see the **Add Inventory** and **Take Inventory** help).

1. Log in to NCR Console, go to the **Reports** tab and click **Inventory**
2. Click **Inventory History** from the list of reports
3. This report defaults to the current day going back one week. Enter the desired date range and click **Update**
